We would like to thank everyone for their interest in our first Rolling Hills Cattle Co. "It's A Family Affair" Production Sale. It's truly a family affair at RHH as we have a strong passion for kids, cattle and the cattle family we have gained over the past several years. We have been blessed to have raised several National Champions and are excited about the quality, soundness, performance and the competitiveness of this offering.

The Miniature Hereford breed continues to expand in growth, popularity, and quality; there is a bright future for the breed. This is a great opportunity to be part of the exciting future. The heifers, steers, bred females and semen are from the heart of our herd. We have spent countless hours mating and searching to put these cattle together for you, and we have confidence that these cattle are the kind it takes to bring home banners and quality to your program. These calves are all weaned, broke to tie, dehorned and current on vaccinations. We believe all of our lots to be sound and in good health at the time of the sale, so please bid with confidence.

A heartfelt "Thank You" goes out to our crew, without their dedication and hard work this sale would not be possible. Thank you to all of our past customers and our future ones. We appreciate your support and are confident you will have much success with your purchases. We are glad to answer any of your questions and look forward to seeing you at the sale.

Sincerely,

The White Family
Brent (641-777-8821), Shelley (641-777-8822), Jenna & Layne White

Attention Juniors:

Miniature Hereford Junior Nationals will be held at Iowa State University, Ames, Iowa for 2016. This is a great time to get your mini Junior incentive. We will offer a credit of \$200 for grand champions and \$100 for reserve grand champions for any major show as a credit towards a 2016/2017 purchase.

Live sale October 18, 2015 at 1:00 pm Bloomfield Livestock Auction, Bloomfield Iowa

Dear Cattlemen,

It has been a unique opportunity and a privilege to work with Miniature Hereford breeders from around the country with our annual involvement in the MHBA Central National Sale at the Iowa Beef Expo. Much of the success of that growing event can be attributed to the attention of forward thinking cattlemen and fun-seeking Juniors that plan to capitalize on the small stature of these cattle and the efficiencies that they promise to provide. It was only natural that we would jump at the opportunity to assist the White family with their inaugural Production Sale that promises to be a nationally recognized Miniature Hereford event.

As a potential customer of Brent and Shelley White, you are about to learn of their dedication and devoted involvement in the breed as well as the follow up after a sale. You will find them at nearly every sanctioned event or sale helping their fellow breeders and youngsters with their considerable knowledge of feeding, fitting, showing, breeding and marketing. Please plan to join us in Bloomfield Iowa on Oct 18 for a "Family Affair". Those unable to attend are welcome to contact our office, the White family or Breeder's World. Videos of the sale cattle will be available at each website.

- When the discussion of having a sale came to the table, we made the commitment to only offer the best and that is just what we did. There is no better way to start the first annual Rolling Hills Cattle sale than with quite possibly the best female ever produced here, RHH SKY is BIG TIME!!! Here at Rolling Hills, we strive to breed cattle that not only will compete at all levels, but also generate as breeding stock in the pasture. With Chase off to college and the dorms having a "NO pet" policy, RHH SKY is being offered to the public. All jokes aside, college isn't cheap and with time restraints to come to shows, take advantage of the opportunity Chase is offering. This female has hung banners her whole show career thus far for the VanVliet family and will continue to do so the rest of her show career for her new owners. Be prepared for her to put you in a new tax bracket as a cow. This female is huge footed, big boned, and stout made yet extremely sound, soft, and functional in her skeleton. She's got all the power you could ask for and still maintains that feminine look desired by all. Her picture speaks for itself. The opportunities are endless when you start with one like RHH SKY.

- The Sweet Willie x Moses mating has done wonders here at Rolling Hills. This cross in its first season produced the high selling female at the Iowa Beef Expo sale going to JB Show Cattle in Texas. This female only makes us more excited to know that our hopes for this cross in our program has done everything we expected it to and more. RHH SWEET SUNSHINE is one that you have to love for her balance and structural soundness. This one starts at the ground being as sound of one as you can make. Very attractive and complete in her design with that big sweeping center rib we all wish for in our breeding heifers. Finding a hole in one this fault free is hard to do unless you fault her on her short ears, but we will take the blame for that. Here to sell you cattle, I probably shouldn't say this, but you know sometimes the cows just come second. It's a family affair around the Rolling Hills operations, and with everyone's hectic schedules when the kids say, "Dad can you come to our school event?" Well you know that Dad went! And go figure, this great one's dam decided to calve during that snow storm while Dad was gone. Folks, this one will show and make an amazing cow. This is one to tie into, as her sire and dam both won Louisville the same year.

• Where do we start? RHH TWINKLE is a full sister to the most winningest heifer in Iowa this last show season. Power and consistency in the blood!!! This female is one you don't find for sale very often. However mark our words when we say we are offering the best. Perfect from every angle. Sound at the ground setting down on a big foot with great slope to her pasterns, very feminine in her front one-third. She has a long sleek look about her, is huge center bodied, and as stout as you could ask for yet still looking like a female. Bid early and bid often, as you won't want to be caught sitting on your hands when RHH TWINKLE hits the sale ring. I'd rather be showing her than getting beat by her!

• As the herdsman here at Rolling Hills like to say time is on this one's side. To get the name RHH LE HIGH HEAVEN, it's obvious the guys like this one, as they requested that they got to name her. A true dream when it comes to making one this intriguingly good. RHH LE HIGH HEAVEN is like watching the Victoria Secret models and the world's best soccer mom work at the same time. As good looking as you could dream up one, yet she will outwork all the other moms around. Young and green just take this one home and feed her then call us when she wins!!! We can't wait to receive those calls.

- LOL! I bet you just did a double take didn't you? Yes your vision is fine! We are selling some of the BEST Miniature Herefords to ever go to public auction. RHH SPS SIERRA took an amazing picture, but let me tell you she is every bit as good as her picture. Around here we build 'em from the ground up, and this one is huge footed, awesome legged, and never misses a step. Stout and massive in her build, soft and deep centered, and as you can see in her picture, she is as good looking as you can make one. A definite stand out regardless of breed, color, or size. A past show heifer that had a very successful career!!! Bred to have the first calf born by WW Wilful Wilfred the recent Denver and Junior Nationals Champion. Buy her and hang on for the ride; this one will take you places you have only dreamed of going.

• You couldn't go to Build-A-Steer.com and make one any better than this one! Without a doubt, a favorite by every breeder, steer trader, and wife that's seen him. Yes, you read that right gentlemen. You could buy this one without your wife's permission, and she would still be ok with it. Super good built one here. RHH Lance is what it takes to be standing at the backdrop with those big banners. Sound at the ground, stout and square, and as sexy necked as they come. Gorgeous haired and tame as a kitten. Don't stop bidding till Mr. Al Conover stops crying! Mark my words this one will win a major! Heck, maybe a few...

• A real fault-free blood red steer here. RHH WO SHOW ME JOE comes from the same partner herd as Gabe DeWitt's steer that he has campaigned to uncountable champion banners, including Champion Junior and Open Show Prospect Steer in Denver and Champion Miniature Hereford steer at Iowa Beef Expo. This is the kind of steer you just take home, feed and rinse and he will do the rest.

• This one is the daily barn argument . . . Is he the best one? Well, that's for you to decide. Big footed, big boned, and big rear end. RHH BOOTS is a beast. He is stout and square ended, huge backed with an explosive hip, and chubby bellied. This guy can even move and still maintains a neat show steer look. What more could you want?

• Well here he is folks, the brother to the very successful and ever-so-popular Gabe DeWitt's RHH WO Look Again steer he has shown all year. This steer may come with the hype of his big brother, but just wait because he's about to cause his own stir. RHH WO SHOW ME HOE is cut from the same mold as his big brother with just a little more everything. Sound and complete. Stout and chubby build. The look and appetite of a good feeding one. No worries here, just sit back and enjoy the ride. Oh, and make it known not even Donald Trump could build a wall tall enough to keep us from putting this one in the sale.

- RHH Sundance is a fault free complete calf that would make a first year Junior a great project. He's puppy dog tame and has the quality to back it up. This is about the youth and the future of our breed, and it's calves like this that draw the interest.

- I honestly don't know where to start other than to say dynamite comes in small packages. This one may be more moderate than the others his age, however that sure doesn't hold back his quality. RHH BUCKSHOT BILLY is the kind you can leave the grandkids alone with in the barn to work on and not have any concerns. Hairy, hairy, hairy with the pieces to go with it. Give this one a good home, a happy Junior, and time and great things are bound to happen.

IT'S A FAMILY AFFAIR!

Miniature Hereford Sale

SUNDAY - 1:00 PM
OCT. 18, 2015
Bloomfield Livestock Market
BLOOMFIELD, IOWA

Attention Juniors:

Miniature Hereford Junior Nationals will be held at Iowa State University, Ames, Iowa for 2016. This is a great time to get your mini Junior incentive. We will offer a credit of \$200 for grand champions and \$100 for reserve grand champions for any major show as a credit towards a 2016/2017 purchase.
