- Individual Performance: BW 85 lbs, 205 wt 627 lbs, 365 wt 1190 lbs.
- A high-quality son of the now-deceased \$56,000 Sitz Dollar Up who is probably the most prepotent son of Upward to come out of Sitz's and a tremendous semen seller in the Beef 360 stud line up.
- We selected 6374 to run clean-up on our females and currently have 3 stout-made, attractive calves on the ground who had an average birth weight in the mid-eighties.
- A maternal sister is in production at Bradshaw Angus, while a full sister to his dam was a featured and third-high-selling female in a past Iowa Beef Expo Sale to Noelck Farms at \$6500.
- The grandam was a two-time Grand Champion cow/calf at the Hardin County Fair. She was a perfect made female that left two daughters in production at Bradshaw Angus.
- He is backed by multiple generations of widely used AI genetics with a very solid and well balanced EPD profile.

Dam of Lot 2

## Carter Commando 79 • Lot 2

- Individual Performance: BW 78 lbs, 205 wt 675 lbs. (ET)
- Dam's Production: She posts IMF 4@103, REA 4@100.
- His dam is a 14-year-old former Fabious Creek donor cow that is still getting the job done. She has produced a total of 38 calves from 13 different sires in her career. 37 of them were registered with American Angus leaving 12 sons working in Iowa and South Dakota breeding programs.
- His sire, EF Commando 1366 is the popular Genex featured calving ease, carcass and moderate milk sire that is also moderate framed. He sired the \$157,000 breed sensation, Baldrige Bronc to Mile High Angus and the \$150,000 Baldrige Command CO36 to ABS Global. Commando progeny are attractive, wide bodied, big hipped individuals with sound feet and super dispositions.
- **Recommended for heifers or cows.**

Full sister to Lot 3

## WC Loaded Up 1119 Y

Sire of Lot 3

## Carter Loaded Up 7303

Lot 3

- Individual Performance: BW 81 lbs, 205 wt 720 lbs.
- Dam's Production: BWR 3@100, NR 3@121, YR 2@107. She posts IMF 40@101, REA 40@101, Rib Fat 40@97.
- His donor dam, KA Barbaramere 4201 was a very successful show heifer for Col Dustin Carter in his Junior years. As a Carter Angus donor she produced the \$10,000 4th top-selling heifer in the 2011 National Western Foundation Female Sale and then a \$12,000 heifer at the 2013 NWFFS with many more high sellers on her resume.
- A full sister was the 2016 Calf Champion at the South Dakota State Fair as well as being Reserve Foundation Simmental at the Iowa State Fair Feeder Calf Show.
- His sire, W/C Loaded Up 1119Y sold ½ interest \$240,000 at the 2017 Embryos on Snow sale at Griswold. Semen was in short supply in 2016 bringing \$350 to \$600 a unit. Loaded up has become the go-to sire in the Werning program siring numerous high-selling bulls and females.

- Individual Performance: BW 65 lbs, BWR 96, 205 wt 718 lbs, WWR 104, 365 wt 1170 lbs, with 10 contemporaries.
- Adjusted Yearling Ultrasound Scan Data: %IMF 3.06, ratio 108, REA 14.8, ratio 107, Rib Fat .34, Rump Fat .47.
- Dam's Production: BR 4@96, NR 5@105, YR 1@100. She posts IMF 3@107, REA 3@103.
- His dam entered the BTC breeding program after posting individual performance of WWR 105, IMF ratio 120 and RE ratio 106. Her first-born son recorded a BWR 78, WWR 130 and IMF ratio 111.
- His sire, Hoover Homestead, was selected by Brice Conover as the top-selling fall bull of the 2014 Hoover Angus sale where he posted the #1 largest ribeye area of his contemporary group at 15.5. In the Conover program, he has proven to be a superior calving ease sire boasting 30 progeny with an average birth ratio of 96 while maintaining a WR of 100 in a competitive breeding program utilizing leading AI performance sires.
- Recommended for heifers or cows.**

- Dam's Production: NR 1@110.
- Grandam's Production: BWR 4@77, NR 4@102, YR 1@103. She posts %IMF 4@113.
- The donor dam, BTC Lizzy 405 is the mother of the top-selling bull of the 2011 Hawkeye Country Angus Sale to Crouch Angus Valley, IA descending from the foundation Carlson Alliance 4156 who was a top-selling cow in a past Hawkeye Country Sale. "4156" produced the Kel McC Angus herd sire BTC Iowa 702, high-selling bull of the 2008 IA Bull Test.
- The grandam, BTC Lizzy 801 is a proven calving ease cow with an astonishing production record. Brice believes she produced his best-ever bull: BTC Kaboom 005 that was the featured and high-selling bull of the 2011 Hawkeye Country Sale selected by Crouch Angus Valley in Iowa. Her dam was also a Hawkeye Country alum that sold to Eddy Cattle Co. "801" sold in the 2014 Brice Conover Major Herd Reduction to Bechthold Angus Farm, IA.

**Lots 7-9**

**MFP New Day 1N30-7845 • Lot 8**

**LHR New Day 454-1N30**  
Sire of Lot 8

- Individual Performance: BW 84 lbs, 205 wt 712 lbs, WWR 103, 365 wt 1125 lbs, YWR 103 with 9 contemporaries.
- Adjusted Yearling Ultrasound Scan Data: %IMF 3.90 ratio109, REA 12.6 ratio 102, Rib Fat .22, Rump Fat .34.
- Dam's Production: NR 3@104, YR 3@102. She posts REA 3@103.
- Adj. Yearling Scrotal Measurement: 29.6 cm.
- Maternal brothers have been the herd sire selections of Art Haselhorst, Hayes KS and Lucas Hanchett, Phillipsburg KS.
- His sire, LHR New Day 454-1N30 is a Lazy H Ranch herd sire boasting a +1.20 MB EPD and calving ease credentials. He is a wide-based deep-ribbed bull with a strong carcass trait pedigree.
- Like his father, this bull demonstrated carcass trait attributes revealed by ultrasound. His maternal grandsire, B/R Destination 727-928 was, himself, an ABS "4 star" carcass trait sire.

- Individual Performance: BW 69 lbs.
- The donor dam was selected by Faust Cattle Co at the second annual Riley Bros Angus Production Sale. She came as the featured daughter of RB Resolute 1844 and first to sell anywhere in the country. She was a standout in her contemporary group posting individual performance that featured a BWR 95 and WWR 113 out of a first-calf heifer.
- The great grandam, RM Annie 187 was selected by Riley Bros as their first pick at the Michelson Dispersion in Iowa where she was the top indexing heifer in her calf crop.
- His sire, MAR Innovation 251, is a Genex featured sire considered one of their best all-around performance and maternal sires. Physically, he is a much-admired bull that is complete and powerful. He offers incredible body capacity and base width with large testicles and a great disposition.
- He ranks in the top 25% or better for 13 EPD and \$Value indexes and in the top 10% or better for WW EPD, YW EPD, \$F and \$B.

- Individual Performance: BW 66 lbs, 205 wt 530 lbs.
- Born unassisted out of a first-calf heifer that recorded astounding individual performance of BW 65 lbs and ww 846 lbs.
- His sire, RB Tour Of Duty 177 is the record-selling bull of the Minnesota Bull Test selected by Crouch Angus Valley who became a top-selling bull at ABS and ORigen. He stands among the top sires in the breed for BW to YW spread and may become the dominant descendant of the famed "Lady" cow family that has produced test station winners from Wisconsin to Montana and record selling females.

- Individual Performance: BW 78 lbs, 205 wt 753 lbs, WWR 106, 365 wt 1135 lbs, YWR 100 with 22 contemporaries.
- Dam's Production: BR 2@97, NR 2@97, YR 2@96.
- The donor dam of SydGen Fastlane 3450, SydGen Royal Queen 4286 is a next-generation "Royal Queen" - the family that produced SAF Queen and SAF Directive. This now-deceased donor produced four natural calves with an average nursing ratio of 107 and yearling ratio 105 with 25 progeny scanned recording an average IMF ratio of 102.
- His dam earned her admittance into the Houk breeding program with individual performance featuring a BWR 99 and WWR 106. The third dam, "Beulah Extra H001" is the foundation matriarch of the Houk herd. This is a long-standing proven cow family. H001 remained in production until 18 years of age.

- Dam's Production: BR 3@98, NR 3@99, YR 3@100. Calving Interval 3@366 days.
- His sire, SydGen Fastlane 3450 was Houk Angus' \$30,000 valued selection from the 2014 SydGen Sale where he recorded a WWR 108, YWR 104 and measured a 17.3 adj yrlg REA. Fastlane enjoys a double-digit CED with WW, YW, RADG, Doc, CEM, CW, MB, RE, Fat, SF, SG, SQG, SYG and SB all in the top 25% or better.
- Maternal grandsire, HF Kodiak 5R is the Canadian super-sire that started a revolution. He sired every one of the Grand Champion Pen of Three Bulls at the 2010 National Western Stock Show for Soo Line Cattle Co.
- His dam is an ET daughter of Terry Little's most prolific and outstanding donor.
- A flush sister is retained and half sister serves the Tyler Orman herd at Blakesburg IA.
- **Recommended for heifers or cows.**

- Individual Performance: BW 72lbs, BWR 94, 205 wt 775, WWR 101, 365 wt 1474 lbs, YWR 108, with 18 contemporaries.
- Dam's Production: BR 1@94, NR 1@101, YR 1@108.
- A light birth weight bull that demonstrated an accelerated growth rate to weaning and beyond. He ranks in the top 5% for WW and top 10% for YW EPDs among non-parent bulls.
- His sire, BSF Hot Lotto 1401 is considered the most complete son of "Cash" to date. He stood at the end of a well-beaten path in the yards, in Denver and many thought the most popular display bull of the 21015 NWSS. His progeny are stout featured, wide pinned, powerfully constructed cattle that still maintain impressive flexibility on the move.
- His dam is an ET daughter of the \$16,500 top selling cow of the 2010 TC Ranch Sale, TC Peggy 5064, now used in the joint ET program of Chestnut Angus, Morfeldt Angus and McElhinney & Sons. She is the dam of widely acclaimed TC Aberdeen Ace and Chestnut Undisputed GLM.
- Scrotal 39 cm.

- Individual Performance: BW 81lbs.
- A great pair of heavy-muscled, big footed flush brothers out of the powerhouse bull SAV Net Worth 4200. They are put together with the frame and muscle to add pounds to any calf crop. Four sisters from the same flush are retained in the herd and will be a part of the foundation for the future.
- The Pathfinder grandam, SAV Emblynette Diamond 6377 served in the Schaff Angus Valley program for 17 plus years and tallied \$945,400 in direct progeny sales. She produced 121 progeny that sold through past SAV sales and produced 20 daughters retained in the SAV herd including the much-heralded dam of the \$275,000 SAV Harvester 0338.
- The sire, SAV Net Worth 4200 is a global semen sales leader revered in the industry for his soggy, deep, high performance sons and daughters.

- Individual Performance: BW 79 lbs.
- His second-generation Pathfinder grandam, SAV Emblynette 7261 was still producing at 16 years of age at SAV. She totaled \$336,000 in receipts on 60 progeny selling in past SAV sales to 18 states and Canada and Argentina.
- His sire, SAV Revere 1180 was the \$120,000 sensation of the 2012 SAV Sale to Herbster Angus Farm. He is an outcross growth sire with maternal attributes complementing scrotal size, docility and fleshing ability.
- Rush Revere is a great way to get the power and performance of the Rito bloodline in a moderate framed package. He is square made and deep bodied with no wasted space. Flush brothers and sisters have all weaned well off the cows and gotten better every day. Two cows from the same flush will soon be centerpieces of the Morgan donor program. This bull has phenotype, pedigree and disposition that you will fall in love with.

## NAF Ten X 509

\$4500 full brother to Lot 62

- Individual Performance: BW 74 lbs, BWR 95, 205 wt 667 lbs, WWR 121, 365 wt 1112 lbs, YWR 112 with 20 contemporaries.
- Dam's Production: BR 3@99, NR 3@125, YR 3@117.
- 612 is a full brother to NAF Ten X 509 selected by Leader Angus Farm, Crofton NE at the 2017 Hawkeye Country Sale at \$4500. His maternal brother by Genetics by Design 049 was selected by Tuck Engle, Colfax IA.
- His Pathfinder dam, Mohrfeld Blackbird 243, once headlined Eric Northrup's show team.
- His sire, AAR Ten X 7008 S A, has been one of the most widely used bulls in the breed for nearly 10 years, yet is still the lead-off bull in the Accelerated Genetics directory. He ranked #1 in the breed for registrations for both 2015 and 2016 offering calving ease, performance, carcass merit and \$values. Ten X daughters are highly valued, boasting an average nursing ratio of 104.
- Maternal grandsire, Connealy Consensus 7229 is one of the most popular Pathfinder sires in the commercial and registered business. He is a low birth weight bull whose sons are making their way into AI studs and his daughters are topping sales nationwide.
- **Recommended for heifers or cows.**

- Individual Performance: BW 78 lbs, (ET)
- Dam's Production: Calving Interval 4@346 days.
- Karson is a maternal brother to Kettle in the Tri K offering. We've had 4 full sisters to this bull and all have been born unassisted and have grown into stellar females.
- His sire, AAR Ten X 7008 SA is an Accelerated Genetics feature that has become the breed's most highly sought "spread" bull. His sons are the top selling sire group in bull sales across the country while his daughters currently post a collective nursing ratio of 104.
- Here is a calving ease prospect that doesn't give up anything in terms of growth or skeleton and from a proven cow family.

**Tri-K Mariel Kalin C80**  
Full sister to Lot 68

- Actual Yearling Ultrasound Scan Data: %IMF 3.50, REA 13.2, Rib Fat .21, Rump Fat .20
- This power bull ranks in the top 25% or better for 14 different EPDs and \$value traits.
- His sire, SAV Best Interest 0136 is a Genex featured, Bismarck son that is moderate framed, wide based with a lot of look and muscle. Best Interest ranks in the top 10% for growth traits culminating with a \$B value in the top 5%.
- This bull stems from one of the preeminent cow families in the Angus breed. He traces back to the great Forever Lady 57D on his maternal side, so he's also got cow power too.
- Here's another power bull in the Tri K offering that will definitely put pounds on the scale for you.

**SAV Best Interest 0136**

- All bred on 3/30/18 to Basin Payweight 1682. Vet examined safe and estimated due on 1-4-19.
- The true measure of a great brood cow is the ability to produce daughters that will replace them in the herd. While were not sure the daughters can truly replace what she's done for us, it's time to let her go to work for someone else while she's still young.
- Put a high value on her mating to 1682. Progeny of Basin Payweight 1682 are going to be hard to find with semen inventories drying up. "Payweight" is an ABS featured calving ease sire that is transmitting extra rib dimension and muscle mass. A daughter was a \$32,000 highlight of the 2017 NWFFS and a full sister to Payweight 1682 set a record selling price at the 2015 NILE Sale, topping the event at \$210,000.
- Here is a cow with calving ease, growth, carcass, and maternal all in one package. Her herd bull prospect by Cowboy Up is incredible.

**70A**

- All bred on 05/03/18 to Baldridge Colonel C251.
- Individual Performance: BW 63 lbs.
- Her dam sells as lot 70.
- While we know we can't keep all the heifer calves we have born, sometimes it's really hard to part with the really good ones. This heifer is only selling because we have an older sister already in production. The females from this mating so far have genomic tested off the charts for performance.
- Her sire, RB Tour Of Duty 177 is the record-selling bull of the Minnesota Bull Test who became a top-selling bull at ABS and ORigen. He stands among the top sires in the breed for BW to YW spread and may become the dominant descendant of the famed "Lady" cow family that has produced test station winners from Wisconsin to Montana and record selling females.

- The donor dam of this mating has been a leader on the Tri K donor team for three years and will be offered in this sale as the featured lot 70 donor.
- Three maternal sisters to this mating are currently retained in the breeding program and three more are held at Behr Ag Inc, Mason City IA.
- The sire of these embryos, Brooking Bank Note 4040 was the \$125,000 featured Lot 1 bull of the Brooking Angus Ranch Sale in SK and now considered a North American phenomenon based on his muscle thickness, body capacity, bone and overall structural correctness. He is a power and growth bull from an EPD standpoint with an optimum Milk EPD and positive \$EN.

- Al bred on 03/30/18 to VAR Legend 5019. Vet examined safe and estimated due on 1-4-19.
- Dam's Production: BR 1@100, NR 1@103.
- Maternal sister sells as Lot 75.
- Here is a female that will be in your herd a long time as she combines SAV Resource with a dam that is still functional at 16 years of age.
- Her sire, SAV Resource 1441 was the \$110,000 4th top-selling bull of the 2012 SAV Sale and quickly became one of the most heavily used young sires in the breed. His progeny have earned him EPD values for YW and RE in the top 1% of current sires.
- Her service sire, VAR Legend sold as the \$35,000 1/2 interest, featured lot 1 bull of the 2016 Vintage Angus Sale now featured at ST Genetics. Legend combines curve bending attributes with carcass merit and descends maternally from Henrietta Pride 643T, the fabulous full sister to the pathfinder growth sire, Sitz Upward 307R.
- She has a calving ease herd sire at her side and another potential one to come next January. Again, all the works done for you here, just take advantage.

- Al bred on 04/16/18 to PVF Insight 0129.
- Individual Performance: BW 60 lbs., BWR 82.
- Dam's Production: BR 4@91, NR 5@95, YR 3@96. She posts IMF 5@105, Rump Fat 5 @94.
- This heifer by SAV Hot Iron has a beautiful profile. Look back into her pedigree and you'll see 7 generations of AI sires on her maternal side. The mother of this heifer is a perfect example of the longevity of Angus cattle. She's 16 years old this year and still sound and functional. Long term cow power combined with the best in modern performance genetics available all in one package.
- Her sire, SAV Hot Iron 0941 was a feature in the former Champion Hill program where he created fancy, high performance females. Today, this Genex featured sire continues to sire extreme muscle shape and big pay weights assisted by a top 5% rank for \$W and \$B.
- Pregnancy update available sale day.

- Selling choice of three matings to the lead donor in the Tri K ET program and one of the great "Weigh Up" daughters in the breed.
- The donor dam is one of the EPD champions in the Tri-K embryo program boasting a WW and \$B in the top 2%, and YW, RADG, \$W, and \$F in the top 1% of current dams.
- Maternal grandsire, Plattemere Weigh Up K360 is the top YW EPD bull in the Select Sires line-up. His Pathfinder dam, Barbara of Plattemere 337, by Retail Product is now an elite donor at Deer Valley selling ½ interest to Simons Cattle Co at \$20,000 where she produced the donor dam of the \$27,000 top-selling heifer at the 2016 National Western Foundation Female Sale as well as a \$16,000 highlight in the 2017 event.
- The "Blaster" embryos are full sibs to my favorite bull in our IA Beef Expo offering. We also have a daughter from this mating that looks impressive. "Sky High" is the outstanding Cardinal Cattle Co and Musgrave herd sire whose sons dominated both those bull sales. "Acclaim" has blown the doors off bull sales across the Western US this spring. The 3 top selling sons at Stevenson Angus in Montana were all Acclaim sons. Take your pick from any of these matings. You will not be disappointed in the results.

**KCF Bennett Fortress**  
Sire of Lot 79

This exciting young herdsire prospect is quite possibly the most phenotypically correct bull we have ever raised! He is part of an excellent flush from our top donor, Blackstone Pride 3003, who consistently produces phenotypically outstanding bulls with incredible numbers. He ranks in the top 1% of the breed for weaning weight, yearling weight, and \$Wean, and top 5% of the breed for CEM, carcass weight, \$Feedlot, and \$Beef. 7287 is a maternal brother to the ORlgen sire 2XL Generation X 5226, who was part of the "World Champion Pen of 3" at the Midland Bull Test in 2016. 7287 not only has the look, but also has the performance with ratios of 109, 105, 122, 103, 102 and 114 for WW, YW, Marbling, Ribeye, ADG, and RADG against our outstanding set of 2017 bulls. If you want to add some power, style, and depth of rib in your cattle, take a look at this standout bull!

- A.I. bred on 5-3-18 to Mead Magnitude. Pasture exposed from 5-10-18 to 6-1-18 to 2XL Weigh Up 6232.
- Individual Performance: BW 66 lbs, 205 wt 644 lbs, WWR 108, 365 wt 954 lbs, YWR 109.
- Adjusted Ultrasound Scan Data: %IMF 5.66, REA 12.3, ratio 116.
- Dam's Production: NR 1@108, YR 1@109.
- Her sire, 2XL Generation X 5226, was part of the "World Champion Pen of 3" at the 2016 Midland Bull Test where he finished with a 131 ADG ratio, 119 IMF ratio, and a 111 efficiency ratio against some of the top bulls in the country. 5226 is currently the #2 YW parent VAR Generation 2100 son. He stems from a donor dam, Blackstone Pride 3003, that is a powerfully built proven donor that was purchased as the high selling open heifer at the Blackstone Cattle Company 2014 production sale. This female stems from the \$150,000 valued Stevenson Clova Pride 6253. 3003 has proven to excel at producing high-growth genetics as she is also the donor dam of the current #1 YW non-parent KCF Bennett Fortress son (2XL Fortress 7126).
- Her service sire, Mead magnitude, is an ABS feature that gained attention as the top-selling bull of the 2017 Mead Farms Sale. He boasts tremendous performance genetics with top 1% WW, YW, CW, \$F and \$B value while maintaining a CED in the top 10%.

## The Complete Dispersion of Justin & Nicole Dikoff

I would like to welcome you to the Hawkeye Sale, featuring the dispersion of our cow herd. Nicole and I have been raising cattle independently since 2009. Many of the females we have brought into our program have been purchased from Dikoff Ranch. Those females along with the others that make up our program, are virtually my selections that I have hand picked from the sales I have attended over the past few years. I get the advantage of seeing a ton of cattle with the career I have. This has allowed me to build a herd that I'm very proud to offer. They are a hardworking, great group of females that will go out and continue to do a nice job for you. I have always felt a good one is a good one, regardless of breed or color.

Deciding to disperse my herd did not come easy. I truly love to raise cattle. However, timing and workload doesn't fit well. I have an incredible job with the best internet broadcasting company. DV Auction has great people behind it making it work, and we are fortunate to be a part of it. That being said, the extreme growth that it has taken on and the combination of running a cowherd doesn't fit well together. So the decision has been made, I will let them go out and do a great job for others. I believe you'll want to be in the seats June 3rd for this historic offering.

Justin Dikoff

### Joe & Emily Sovell

Joe is a good friend of mine that has had me go out and put together a set of cows for them, to be managed and run by me. With us selling our cows it made sense for them to sell as well. This is a set of females that was selected by me and ran along with mine as my own cows were. It is a great group of females.

- Production: BR 2@94, NR 2@108, YR 1@96.
- This nationally acclaimed donor dam, SAV Blackcap May 1657 comes from one of the great cow families at Schaff Angus Valley. Now working as an accomplished donor for Justin Dikoff, she produced north of \$170,000 in embryos and progeny to some of the most progressive breeders.
- Her dam is the legendary SAV Blackcap May 4136 who has had a tremendous run at Schaff Angus Valley where she has produced the \$750,000 SAV President, \$450,000 SAV Rainfall, \$450,000 SAV Rain Dance, \$435,000 SAV SAV Governor, \$165,000 SAV Rain Master, \$650,000 SAV Sensation, \$725,000 SAV Pedigree, \$110,000 SAV Resource, \$175,000 SAV Renown and many more, totaling more than \$8 million in progeny sales. 4136 is, without argument, the most prolific and remunerative Angus cow the breed has known.

- Carrying mating of SAC Conversation x S A V Blackcap May 1657. Vet examined safe and estimated due 8-7-18.
- Production: NR 1@109.
- Dam's Production: BWR 10@97, NR 10@107, YR 4@105. She posts IMF 6@107, REA 6@105.
- She is a maternal sister to the \$22,000, D 443 Nicole S6252 selected by Wade Jaacks, Elkton SD as the featured lot 1 female of the 2014 Dikoff Ranch Fall Calving Dispersion. S6252 produced the \$42,000 D 028 Substance A341 selected by Hilltop Angus, MT.
- Her sire, DL Incentive 1952 was selected by Dikoff Ranch and JK Angus as the \$22,000 top-selling fall bull of the 2014 Lewis Bros Bull Sale. His first calf crop produced 40 progeny in two herds with a collective weaning ratio of 104. Danny Lewis described this bull as one of the very best muscle and performance bulls ever produced in their program.
- She is carrying the treasured mating of Blackcap May 1657 and SAC Conversion, the Select Sires feature that combines eye appeal, functional soundness and EPD values that place him among the elite curve-benders with carcass merit.

- Carrying mating of AAR Ten X 7008 SA x S A V Blackcap May 1657. Vet examined safe and estimated due 8-7-18.
- Dam's Production: BWR 2@94, NR 2@108, YR 1@96.
- Her maternal brother was the \$10,000 selection of Baer JB Bar Ranch, SD from the 2014 Dikoff Ranch Bull Sale.
- Her sire, SAV Hesston 2217 was the \$130,000 featured lot 2 bull from the first calf-crop by his record-setting sire that sold for an average of \$59,953 in 2013. The dam of Hesston is regarded as a model Angus cow with more than \$1.5 million in progeny sales.
- She carries the important embryo mating of Blackcap May 1657 and AAR Ten X for a thoughtful blending of phenotypic excellence and EPD proficiency.

- Dam's Production: BR 2@94, NR 2@108, YR 1@96.
- An embryo transplant son of the lot 101 donor cow.
- There is a waiting list for semen on Plattemere Weigh Up that is priced more than \$100 / unit. His unique combination of high accuracy growth and carcass with moderate CE has made him a go-to sire for ideal conformation and performance. Weigh Up sired the \$10,500 top-selling bull of the 2015 J&J Sonstebo Bull Sale, J&J Weigh Up 294 selected by Dikoff Ranch that again topped the Dikoff Ranch Dispersion selling to JK Angus, SD and Badger Creek Cattle Co, KS.
- This bull boasts a tremendous growth and carcass EPD profile that culminates with a \$B value ranking in the elite top 1% of non-parent bulls.

- These flush brothers from the widely acclaimed Blackcap May donor blend two of the most remunerative cow families the breed has known.
- RB Tour of Duty 177 is the record-selling bull of the Minnesota Bull Test selected by Crouch Angus Valley who became a top-selling bull at ABS and ORigen. He stands among the top sires in the breed for BW to YW spread and may become the dominant descendant of the famed "Lady" cow family that has produced test station winners from Wisconsin to Montana and record selling females. His dam, BA Lady 6807 305 was also the dam of RB Lady Standard 305-890, the all-time \$170,000 record selling female of the National Western Foundation Female Sale as well as RB Lady Party 192-305, the \$152,000 top seller of the 2015 NWFFS.
- The maternal grandam, SAV Blackcap May 4136, by comparison, is without question, the all-time leading income producer at SAV generating \$8.6 million in progeny sales.

- Another ET son of the Blackcap May donor.
- Her sire, Barstow Cash was the talk of the 2012 sale season when he sold \$108,000 1/3 interest to become the record selling bull at Barstow Angus. Cash is a calving ease bull with strong growth and carcass values. His \$W value ranks easily in the top 1% of non-parent bulls. Cash semen demand exceeds the supply and he remains one of the most highly sought bulls for superior performance, calving ease, visual appeal and marketability.

## JD 29 Entello 85 • Lot 108A

- A.I. bred on 04-29-18 to SS Niagara Z29.
- Production: BWR 3@98, NR 3@102, YR 3@101. Calving interval 4@360 days.
- Maternal sister sells as lot 142.
- Sons have been selected by James Swanson, SD and John Marshall, ND through former Mogck & Sons sales.
- Her sire, EF Complement 8088, is a long-time ABS featured sire that has earned 4 stars for calving ease boasting BW and growth accuracies in the 90's. He ranks in the top 25% or better for the breed's most important economic traits.
- The sire of her calf and service sire, SS Niagara Z29 is one of Select Sires lead off bulls who will add base width and a super rib design to make attractive big bodied offspring, all while still bringing in breed leading growth. He has proven himself the old-fashioned way, through progeny.

- A.I. bred on 05-09-18 to Brooking Bank Note 4040.
- Production: NR 1@108.
- Dam's Production: BWR 3@98, NR 3@102.
- Her sire, Myers Confident Answer M13 was selected by Dikoff Ranch and JK Angus as a \$12,500 feature in the 2014 Boyd Sale in KY where he combined individual performance ratios of BWR 95, WWR 109 and YWR 105. His first 90 progeny have verified his "spread" capabilities as he posts progeny ratios of BWR 95 and YWR 100. As a consequence, he boasts CED and BW EPDs both in the top 1% of proven sires.

- A.I. bred on 04-29-18 to HA Cowboy Up 5405.
- Her 2018 heifer calf is an ET mating of the popular Select Sires feature, Connealy Capitalist 028 and the Pathfinder dam D 443 Nicole S6252. This is the same mating that produced the \$42,000 D 028 Substance A341 Chosen by Hilltop Angus, Denton MT. The donor dam, D 443 Nicole S6252 is a maternal sister to the \$14,500 D Blue Print R568 originally sold to Flag Ranch and now featured at Hanson Farms, Elsie NE. She sold as the \$22,500 top-selling cow of the 2014 Fall Calving Dispersion selected by Wade Jaccks, Elkton SD and Circle R Farms, Correll MN.

- A.I. bred on 5-18-18 to Jindra Acclaim.
- Production: BR 1@84.
- Dam's Production: NR 7@95, YR 4@95. Calving interval 8@361 days.
- Selected by Sovell Ranch in the 2015 Dikoff Ranch Proven Cow Dispersal
- Her dam sold in our 2014 fall female sale for \$8000 to McConnell Angus. A maternal sister also sold to McConnell Angus for \$6000. Maternal brothers have sold to Jerry Schack in 2012 and Gary Kopecky in 2013.
- She is nursing the ET mating of the long-running #1 Docility sire "CC&7" and JD 921 Queen Blackbird R5239, a now deceased foundation donor with a BR 2@96, NR 2@114, YR 2@116 and individual performance that featured a WWR 119 and YWR 111 in a 99 head contemporary group.
- Flush mates to the 2018 bull calf serve the distinguished herds of Stetson Spees, Fairfield IA; Zues Farms, Farmington IA and Dudley Angus Farms, Corydon IA.
- Raised Lot 101I last year.

- A.I. bred on 04-29-18 to Jindra Acclaim.
- Production: BWR 2@98, NR 2@101. Calving interval 4@355 days.
- This Sitz Upward daughter went straight from the replacement pen into the donor pen producing an ET son that sold for \$5000 in the 2016 bull sale and a \$3250 heifer in the 2016 Bred Heifer Dispersion. Her 2017 son by "Ft Knox" sold to Jerry Poindexter, Miller SD.
- Her service sire, Jindra Acclaim recently joined the Accelerated Genetics roster. Acclaim was the \$45,000 1/2 interest feature bull of the 2015 Jindra Bull Sale in NE. He now over 250 weaned offspring, 68 genomic progeny and a proven EPD profile boasting a double-digit CED and a +213.67 \$B - unmatched in the Angus breed.

- A.I. bred on 10-19-17 to Brooking Bank Note 4040. Ultrasound examined safe and estimated due 7-28-18 carrying a heifer calf.
- Production: BWR 1@98, NR 1@100.
- Her sire, Plainview Lutton E102 is one of the most sought-after show and structure sires in the Angus industry. Embryos that recreate his mating have topped the embryo division at the NWFFS. His semen supply is nearly depleted.
- Maternally she descends from Duff New Edition 6108 the "signature" bull of the Power Plus program producing exquisite phenotype, marketability and ideal brood cows.
- Her service sire, Brooking Bank Note 4040, was the \$125,000 featured Lot 1 bull of the Brooking Angus Ranch Sale in SK and now considered a North American phenomenon based on his muscle thickness, body capacity, bone and overall structural correctness. He is a power and growth bull from an EPD standpoint with an optimum Milk EPD and positive \$EN.

- A.I. bred on 5-4-18 to Jindra Acclaim.
- Production: NR 2@99. Calving interval 2@374 days.
- Her first-born son was a \$5000 sell in the 2016 Dikoff Ranch Bull Sale.
- Her sire, Mogck Sure Shot, is an Accelerated Genetics feature with an impressive EPD spread and an outcross pedigree. Sure Shot sired the \$192,000 Hoover Angus herd sire, Mogck Bullseye as well as the \$62,500 top selling bull at KG Angus, KG Solution 0018.
- Her service sire, Jindra Acclaim recently joined the Accelerated Genetics roster. Acclaim was the \$45,000 ½ interest feature bull of the 2015 Jindra Bull Sale in NE. He now has over 250 weaned offspring, 68 genomic progeny and a proven EPD profile boasting a double-digit CED and a +213.67 \$B - unmatched in the Angus breed.

- A.I. bred on 11-26-17 to B/R Demand 628. Vet examined safe and estimated due 9-4-18.
- Production: BWR 1@89.
- 035X is one of the hallmark cows in the Justin Dikoff Simmental Influence program. Her daughter, JND Jewell 617D was a headliner in the 2017 Dikoff Ranch Dispersion selling at \$4000 to Brandon Simon, IA. Other daughters have sold to Kevin Bachmeier, MN; and NLC Simmental Ranch, SD while sons now serve the herds of T&M Farms, AR; Chad Homan, SD and Ron Gilliland, CA.
- Her sire, 3C RSVP N541 BZ may be the most noteworthy son of Meyer 734. His semen is becoming as scarce as his sire. The two top selling females of the Bruhn cattle December sale were both daughters of RSVP.
- Her 2018 ET daughter sells as Lot 171A.

**The Annual Hawkeye Country Sale has become a summer right-of-passage. The first Sunday of June date brings about images of green grass, spunky calves and genetic opportunity. This year's sale offering is an outstanding blend of bulls, open and bred females, as well as embryos that have one commonality.....they represent the latest and greatest the Angus breed has to offer. The contributors**

**to Hawkeye Country understand that customers of this sale have traditionally rewarded quality consignments and have targeted this late season Angus market to showcase their best genetics.**

**It has been our long-time privilege of serving the Dikoff Family at their South Dakota home. Justin and Nicole as well as his father Rod and Linda Dikoff have hosted annual fall female sales and spring bull sales with our assistance for many years. A year ago, Rod and Linda chose to bring their Angus career to a conclusion and now Justin has chosen to repeat his annual Hawkeye Country trek with a liquidation of his own. We attempted to document the success of these cows and their lineage within our limited time restraints. But, I fear we only scratched the surface of what this herd has accomplished and what they could do in your program. These are the cows that Justin has picked for himself from the 23 years of Dikoff Ranch's robust Angus and Simmental breeding program. Other cows were hand selected from his extensive travels with DV Auction and are the best-of-the-best Angus, Simmental, Red Angus and Charolais that his keen eye could identify.**

**AI studs are quick to point out that getting the most cows pregnant on the first heat cycle is the key to a uniform, heavy, and profitable calf crop. Calving in that first month also aids in labor efficiency, nutritional requirements and, importantly, rebreeding success. However, at the risk of sounding old fashioned, the secret to making that happen is not through menstrual manipulation and artificial insemination. The most economical means of getting cows bred quickly and putting more pounds on the scale at weaning is through natural service. There is no such thing as "enough" bulls. Increasing the number of high quality bulls per cow is the way to achieve profit objectives. There has never been a better opportunity to acquire young, high quality, affordable bulls than right now - right here.**

**It would behoove any serious breeder of registered or commercial cattle to be in the bleachers on June 3rd. It will be our pleasure to greet you and our friends, the Schooley's at the luxurious Bloomfield Livestock Market facilities for an outstanding sale of the highest caliber. As always, your pre-sale inquiries are encouraged.**

**Respectfully,**

**Al and Jeanne Conover
