Dear Friends

It is our great privilege to repeat the management role of the distinguished MHBA Central National Miniature Hereford Sale. There seems to be no end to the enthusiasm that surrounds the Nation's fastest growing show cattle division. Miniature Hereford breeders and showman, young and old, are capitalizing on the small stature, visual appeal, gentle nature and low environmental impact of this easy-to-raise beef breed. While there are also economic and culinary reasons to pursue the mini Herefords, most people

involved will cite the fellowship. Mini breeders are a fraternity of fun-loving, family oriented, dedicated animal lovers that are fun to know and be involved with.

It has been a great joy to be a part of one of the most contagious happenings in the beef business today. Miniature Herefords have captured the attention of forward-thinking cattlemen and fun-seeking Juniors that plan to capitalize on the modest feed requirements of these cattle and the efficiencies they promise to deliver.

Your pre-sale inquiries can be addressed to our office or to individual consignors with the contact information provided.

*Best Wishes
 Al and Jeanne Conover
 Dave Sweeney*

- This bull is named right! He can be a money Maker in your herd. His flushmate has already won a jackpot show in Kansas as a steer, but we decided to leave this one as a bull. He is huge hipped, great haired and packed full of muscle, everything you want in a herd sire. He is a grandson of the great Mr Moses and paired with our great donor female Honey, a King Henry Hunter daughter.

LS MT ROCKETTE K401

- Selling full possession and 2/3 semen interest.
- The 2018 Iowa State Fair Grand Champion Bull. He is a very sound animal with a good disposition. He will transmit the long neck, body length, clean sheath and masculine features to his sons, while daughters will benefit from his volume, capacity, smoothness and fleshing ability. Sam has been cosmetically dehorned.

- This select little heifer is a favorite among the fall heifer calves in the Rolling Hills program. She will show with the best of them and likely get your showman to the backdrop. Her sire, "Fred" has gathered a lot of purple ribbons, most recently, he sired the Grand Champion female at the Iowa State Fair for Rolling Hills.

- This little heifer will make someone a nice show heifer. A really young exhibitor could handle this small statured female at home and throughout next summer's show season. Her sire, RJTNT Little Man was the 2013 Clay County Fair Grand Champion.

- Pasture exposed from 6-1-19 to 11-1-19 to WW Willful Wilfred. Ultrasound examined safe and estimated due early July 2020 carrying a heifer calf.
- RHH Sally is a very good 2nd-calf heifer. She raised a bull calf last year that went to Oklahoma to family that is doing well with him. This year she is carrying a heifer calf that will later show in a younger division. Service sire, WW Willful Wilfred is a former Grand Champion at the 2015 NW & Junior Nationals by KAP Silver Sampson, the most successful show bull in Miniature Hereford History.

- This is an opportunity to get in on some of the last "Fred" semen available. His daughter was most recently Grand Champion at the 2019 Iowa State Fair. His sire, KAP Silver Sampson was a six-time Grand Champion that went on to sire at least one Grand Championship banner for more than two dozen progeny. "Fred" was the Grand Champion Bull at the Junior Nationals 2015 and the Grand Champion at the 2015 NWSS.

- Have another look at this little Mini Hereford heifer! Our two youngest children Madison and Drew will never trade their Mini showing days for anything in the world. The fun they have had with showing Minis is absolutely priceless! Madison has been putting her special touch on these babies and is confident they are ready to make memories with someone! These girls are half sisters and come out of Chubby which came from Julie Sandstrom, Sandy Hill Farms and then on the cow side from River Ridge Farm, Eric and Tina Snyder. Please contact us if you would like more information on the pedigrees.
