**MFP BREEDING GUARANTEE:** The bulls that are selling are fertile to the best of our knowledge. If in the 1st 90 days they injure their reproductive system making them unable to service cows, we will provide you with a satisfactory animal if available, or issue you a credit equal to your purchase minus \$2,000 salvage value of your animal. This credit can be used in the purchase of any animal in the following years sale. We request that you inform us of your bulls injury by letter before you cull the injured or infertile bull. All bulls have passed a breeding soundness exam by Dr. Russ Stickley DVM, Parkersburg, IA.

### GENERAL INFORMATION

**SALE LOCATION:** Central Iowa Exchange Sale Facility New Sale Barn & Pavilion, 930 Hunter St, Aplington, IA 50604. 641-373-2960.

#### MOTEL ACCOMMODATIONS:

Legend Trail Inn & Suites, 1403 Iowa Hwy 57, Parkersburg, IA 50665. 319-346-9788

#### INSPECTION OF CATTLE:

Cattle are available for inspection and viewing anytime prior to the sale. Please call to make arrangements.

#### HEALTH:

Interstate health papers furnished on all cattle selling. All bulls semen tested prior to the sale and are guaranteed breeders.

#### EPDS & \$VALUES:

The American Angus Association is now calculating EPDS on a weekly basis using all available carcass harvest data, ultrasound data and the Igenity Angus specific genomic profile data. It is possible new data has been submitted between the date the catalog was finalized and sale day, which will affect the individual EPDS and \$Values indexes of the animals selling. If your purchasing decision relies highly on the most current data available, please look up animals of interest on the American Angus Association web page prior to viewing the sale offering.

**TERMS:** Cash - please settle for cattle promptly.

#### TERMS & CONDITIONS:

All cattle sell according to the standard terms and conditions of the American Angus Association.

**BULL BOARDING & TRUCKING:** All bulls can be housed until May 1st free of charge. Please make arrangements ahead of time if you cannot get your bull picked up by then. All bulls picked up at the sale location the day of the sale or the following day will receive \$50 off. Free delivery for bulls in the state of Iowa or to central points in surrounding states. We will work our best to keep your trucking costs at a minimum.

#### BULLS SELLING:

Marks Family Purebreds is retaining 1/3 semen revenue sharing interest in all the bulls cataloged. The buyer will be purchasing 2/3 interest, 100% possession, and 100% Salvage value of the bull.

#### FEMALES SELLING:

All open heifers selling are guaranteed to breed within 6 months of the sale. All females need to be picked up from the sale location the day of the sale or the day following unless other arrangements have been made.

#### INSURANCE:

Will be available sale day through Conover Auction Service, an American Livestock Agent.

#### LIABILITY:

All persons attending this sale do so at their own risk, legal or otherwise for their safety or the behavior of the animals. The Owners, Auction Service and Sale Staff assume no liability for property loss or any accidents that may occur.

#### ANNOUNCEMENTS:

From the block will take precedence over the catalog. Buyers unable to attend may send their bids to the Auction Service, Field Representatives or Auctioneer.

**LUNCH:** Complimentary lunch will be served at 12:00 NOON

Old Friends and New,

Hello there and thank you for taking the time to look into our program. It has been many years and many new friendships in the industry that has given us the pleasure of being here today with this set of cattle ready for your appraisal. We believe that with the focus on traits that put carcass composition to the forefront, we can create cattle that will transmit profitability to any segment of the industry. Our main goal is to create cattle that will create profitability and longevity within your herd. As you look through this offering, you will be able to see the focus we have emphasized on a strong number profile combined with a strong emphasis on phenotype. The cattle that can successfully combine genotype and phenotype are the cattle of the future.

We would like you to buy these cattle with confidence. All bulls and females selling will do so with a proper Breeding Soundness Exam. The bulls, to the best of our knowledge, are breeders and will sell with a 90-day breeding season guarantee. The females will sell under the terms and conditions suggested under the American Angus Association.

You have many options in your selection for genetic improvement for your herd. We are honored that you have given us the time to try to earn your business in the future. Please accept our invitation to join us April 8<sup>th</sup> for a warm meal and fellowship with friends in the industry. We look forward to speaking with you very soon on how we can help you with your herd building needs.

Sincerely,  
Ehren and Jim Marks

*Dear Cattlemen,*

*I have watched with real appreciation as this young herd grew from a well-thought genetic vision to a well-executed acquisition of superior seedstock now poised to deliver an Angus product unequalled in Iowa. Marks Family Purebreds have already highlighted recent Angus events such as the National Western Foundation Female Sale, National Western Angus Bull Sale, Hawkeye Country Angus Sale, Iowa Beef Expo and more. On April 8th they will launch their Inaugural Production Sale that I predict will become one of the most anticipated in the state.*

*Everything has been done to assure your satisfaction and knowledge of the bulls or heifers you choose. With only a few exceptions, this offering has been weighed at birth, weaning and at a year; ultrasounded for carcass traits, and evaluated by 50K DNA analysis. Those results have been incorporated in the catalog*

*as well as dam's production and complete EPDs and \$values.*

*This offering features the successful results of an aggressive AI and ET program as well as progeny of natural service sires of superior phenotypic and data quality. Most of this offering excels under EPD scrutiny with many in the highest ranks of the breed. As a case-in-point, the lot 1 bull is the #2 \$B son of Quaker Hill Manning in the breed and he deserves the serious attention of progressive Angus operations.*

*Please plan to join Jeanne, Dave and myself in Aplington IA on April 8th. Contact our office, Ehren Marks, or any of the numbers listed with your pre-sale inquiries.*

*Respectfully*  
*Al and Jeanne Conover*  
*Dave Sweeney*
