January 23, 2019
Creston Livestock Auction, Creston, Iowa

Manage risk. Ensure value.
In today's market, every dollar counts. Trust in AngusSource to deliver premiums for your quality calves.

Be confident your Angus-sired calves are receiving the premiums they deserve by enrolling in AngusSource®, the USDA process verified age-and-source program offered by the American Angus Association.

AngusSource calves commanded a \$2.56 per hundredweight (cwt.) premium¹ over non-verified calves. On a typical lot of 650-pound steers, you've got nearly \$750 to add to your bottom line. Call AngusSource at 816.383.5100 or download an enrollment form at www.angus.org/angussource to help manage your risk in today's market.

If you're among the first 50 cattle producers to enroll 100 head of Angus-sired calves in 2017, you will receive a complimentary VetGun™.
