INSPECTION OF CATTLE: Cattle are available for inspection and viewing any time prior to the sale. Please call to make arrangements.

HEALTH: Interstate health papers furnished on all cattle selling. All bulls' semen tested prior to the sale and are guaranteed breeders.

EPDS & \$VALUES: The American Angus Association is now calculating EPDs on a weekly basis using all available carcass harvest data, ultrasound data and the Igenity Angus specific genomic profile data. It is possible new data has been submitted between the date the catalog was finalized and sale day, which will affect the individual EPDS and \$Values indexes of the animals selling. If your purchasing decision relies highly on the most current data available, please look up animals of interest on the American Angus Association web page prior to viewing the sale offering.

TERMS: Cash - please settle for cattle promptly.

TERMS & CONDITIONS: Cattle will sell under the suggested terms and conditions of the American Angus Association. All terms are cash or check. All purchases are to be settled at the conclusion of the sale.

TRUCKING: We will be glad to assist in making the best possible trucking arrangements.

Delivery: Any bulls taken home on the day of sale or within 3 days after the sale will receive a discount of \$175 off the purchase price. Bulls that stay at Trails End until the buyer is ready for turnout will be delivered within 100 miles for free. If the buyer's location is beyond 100 miles, Trails End will deliver the bull(s) at the cost of \$2 per mile beyond the 100 miles. Bulls will be boarded free at Trails End until May 15, 2019. Beyond this date, buyers will pay a fee of \$3 per day per bull. Females must be taken home within 3 days after the sale.

GUARANTEE: Bulls sold are guaranteed to be fertile and reproductively sound in accordance with the terms and conditions as recommended by the American Angus Association. This guarantee does not cover injury or death. In the event of a problem, the buyer will have the option to select a suitable replacement bull if available or take a sale credit minus the salvage price. Any potential claim needs to be made by September 1, 2019.

INSURANCE: Will be available sale day through Conover Auction Service, an American Livestock Agent.

LIABILITY: All persons attending this sale do so at their own risk, legal or otherwise for their safety or the behavior of the animals. The Owners, Auction Service and Sale Staff assume no liability for property loss or any accidents that may occur.

ANNOUNCEMENTS: From the block will take precedence over the catalog. Buyers unable to attend may send their bids to the Auction Service, Field Representatives or Auctioneer, or with Trails End Angus owner Dean Thomann at 319-330-6554. All bids are confidential.

LUNCH: Complimentary lunch will be served at 12:00 NOON

I am excited to announce the Trails End Angus third annual production sale! My wife, Susan, and I feel very honored and grateful to have you as customers. Without you, we would make no forward progress. Thank you all for trusting in our program.

Growing up on my parents' farm, my dad did not have a cowherd. Instead, he loved going out west to the Sandhill region and to South Dakota to buy feeder cattle, which my five brothers and I helped feed using bushel baskets down a long row of bunks. We sometimes fed up to 500 head a year. My dad impressed on me that those 1-iron western cattle were the best production cattle you could buy. I guess that taught me that pounds pay the bills, and today with my purebred Angus business, I try to stack as much performance and production in a pedigree without sacrificing maternal traits since I save all my own females. I have not brought an animal into my herd since 2013, and I now try to maintain a closed herd. I rely solely on AI for the latest cutting-edge genetics.

As always, I am proud to offer a good set of powerful bulls out of leading AI sires. I think you will like what you see. The heifers are a great set too. Joining the sale this year are two full flush sisters and one maternal sister to the 2018 sale topper, a heifer that sold to Zeb Evans for \$9,000. The maternal sister (Lot 34) is out of Prairie Pride Next Step and is fantastic! These three females and the next seven in the sale lineup were in my keeper pen. It is with great pride that I offer them to you. As for the lineup beyond Lot 10, I think the placement could have been determined by drawing straws. As buyers, you will show me how the lots should have been ordered in this deep quality group.

The cows are a super bunch. I am selling the Trails End matriarch ET cow 752, which produced \$50,000 of progeny and is bred to the great SAV Rustler 2891. Cow 752 is also the grandam or the great-grandam of the first five heifers selling from the "keeper pen" of ten.

We hope you can take time out of your busy schedules to be with us on the ranch Saturday, February 23, or watch and bid online via DVAuction—a new enhancement to our yearly sale.

Dear Angus Friends

It is with great pride and a sense of achievement that we get to join forces with Dean Thomann on the presentation of his 2019 Production Sale. We, like so many others have been watching from the sidelines as this aggressive program has bred cattle that meet the visual and performance goals of an ever-growing client base. You will be amazed at the rapid growth, abundant muscle, ample capacity and structural integrity of this herd of cattle. Dean has spared no expense, nor cut any corners in acquiring the herd sires or semen that will help him achieve his performance goals. As a bull customer, you can expect

progeny that will attract the most visually discriminating buyers and then crush the scales on sale day. The females have bred-in maternal excellence captured by the Trails End tradition of repeatedly stacking highly proven cow families in each pedigree assuring productivity and longevity.

We welcome back the legions of repeat customers to the Trails End sales event and invite any newcomers in need of a genetic upgrade to join us on February 23rd in Riverside, IA. Your pre-sale inquiries are encouraged by calling our office or any of the contacts provided.
