SEE PAGE 17 FOR MORE INFORMATION

GENERAL INFORMATION

INSPECTION OF CATTLE: Cattle will be available for inspection on Monday, April 6th at the sale site. The cattle may be viewed at the ranch anytime prior to the sale, call to make arrangements.
HEALTH: Interstate health papers furnished on all cattle selling.
EPDS & SVALUES: The American Angus Association is now calculating EPDs on a weekly basis using all available carcass harvest data, ultrasound data and the Igensity Angus specific genomic profile data. It is possible new data has been submitted between the date the catalog was finalized and sale day, which will affect the individual EPDS and $Values indexes of the animals selling. If your purchasing decision relies highly on the most current data available, please look up animals of interest on the American Angus Association web page prior to viewing the sale offering.
TERMS: Cash - please settle for cattle promptly.
TERMS & CONDITIONS: All cattle sell according to the standard terms and conditions of the American Angus Association.
SUPPLEMENT INFORMATION: A supplement sheet will be available sale day with the bull’s scan data, average daily gain, scrotal measurements and pelvic area. The bulls were not creep fed and have been grown on a low starch, high roughage diet.
TRUCKING: We will be glad to assist in making the best possible trucking arrangements.
INSURANCE: Will be available sale day through Conover Auction Service, an American Livestock Agent.
LIABILITY: All persons attending this sale do so at their own risk, legal or otherwise for their safety or the behavior of the animals. The Owners, Auction Service and Sale Staff assume no liability for property loss or any accidents that may occur.
ANNOUNCEMENTS: From the block will take precedence over the catalog. Buyers unable to attend may send their bids to the Auction Service, Field Representatives or Auctioneer.
LUNCH: Complimentary lunch will be available sale day.
Dear Fellow Cattlemen,

It is once again a great pleasure to assist the Weers family with their “Working Class” production sale this year. This program has grown from a solid foundation based on embryo transfer and a few select donor females that trace to “Royal Lady 10.” She has produced over $375,000 in direct progeny sales. Sires used offer similar traits and breeding to add consistency throughout the offering and to your subsequent calf crops.

Thoughtful selection of popular, industry tested sires allow for improvement in both of the antagonistic traits of calving ease and growth while maintaining exceptional maternal value through this cow base and these cow families. Here is a great opportunity to select practical seedstock that will be functional, fertile individuals that have solid EPD profiles, sound udders as well as feet and legs. This group will not disappoint on fleshing ability and disposition either. Please make your plans to view and select from strong foundation genetics backed with an established breeding plan. The CAS staff looks forward to answering any of your pre-sale questions that you may have.

Sincerely,

Al & Jeanne Conover    Dave Sweeney
Weers Angus Reference Sires

**BC Watchman 425-9**

- **Born:** 04/02/09
- **Tattoo:** 16372343
- **Sire:** BC Watchman 425-9

- **Sire of Reference Sire:** E

**Hartzell Angus Farm of Clarksdale, MO.**

- This deep bodied standout traces three times to the breed matron and Olde Cattle Company foundation dam, Dixie Erica of CH 1019, through her most noted sons “Emblazon” and OCC Doctor.
- Posted very enviable individual performance including %IMF of 5.17 and a 15.6” ribeye.
- Ranks in the top 5% for RADG as well as in the top 10% for WW and SF among current sires in the breed.

**Weers Angus and Conley Angus Farm of Clarksdale, MO.**

- This phenotypically appealing sire combines two exceptional cow families in the “Dixie Erica” and “Pure Pride.” These Angus cow families have been successfully propagated within the Conley program.
- He is a maternal brother to BC Matrix 412 and his mother is the granddam of BC Eagle Eye 110-7.
- Ranks in the top 10% for RADG among current sires in the Angus breed.

**Co-owned by Weers Angus and Lafflin Angus Ranch of Osibugs, KS.**

- The first eight daughters that went into production boast a collective nursing ratio of 104, proving out what his pedigree already indicated. His individual performance was BW 75 lbs., WWR 95, WW 851 lbs., WWR 123, YW 1461 lbs., YWR 122, IMF ratio 121 and a REA ratio of 149. Yearling scrotal of 42 cm.
- Ranks in the top 2% for Fat as well as in the top 10% for WW and SYG among current sires in the breed.

**Weers Aberdeen 1210 (DDP)**

- **Born:** 02/03/12
- **Tattoo:** 17365515
- **Sire:** Weers Aberdeen 1210
- **Dam:** TC Aberdeen 759
- **Grandsire of Reference Sire D**

**Hartzell Angus Farm of Clarksdale, MO.**

- Exceptional pedigree highlighted by Pathfinders and powerful Angus females.
- Pathfinder sire commands a place in Angus history as a source of low birth, high growth genetics combined with maternal excellence, fleshing ability and great carcass traits.

**Hartzell of Mineral Point, WI.**

- **Source of low birth, high growth genetics:** combined with maternal source of low birth, high growth genetics.

All fall bulls weighing from 1700-1950 lbs are widebodied and powerful. Good maternal traits in all bulls.

**Lot 1**

**Weers Watchman 40A (DDP)**

- **Born:** 09/19/13
- **Tattoo:** 40A
- **Individual Performance:** BW 84 lbs, 205 Wt. 526 lbs, WWR 100, 365 Wt. 1100 lbs, YWR 111 with 8 contemporaries.
- **Dam’s Production:** 1 BWR 100, 1 NR 114, 1 YR 111.
- **Dam is a full sister in blood to dam of Lot 2.**
- **Posts the heaviest adjusted weaning weight and yearling weight as well best WW and YW EPD’s among the fall bulls.**
- **Maternal grandsire has earned the reputation as one of the very top bulls in the breed for maternal value, docility, growth and calving ease.**
- **One of Weers’ Denver Pen Bulls.**

**Lot 2**

**Weers Watchman 015A**

- **Born:** 09/02/13
- **Pending**
- **Tattoo:** 015A
- **Individual Performance:** BW 77 lbs, 205 Wt. 626 lbs, WWR 100, 365 Wt. 1154 lbs, YWR 100 with 1 contemporary.
- **Dam’s Production:** 3 BWR 96, 3 NR 99. Calving Interval 1 @ IMF 100, REA 100, Rib Fat 100, Rumph Fat 100.
- **Maternal sisters to the dam were responsible for $5,900 and $5,800 bulls in last year’s offering.**
- **Heifer bull prospect.**

**Lot 3**

**Weers SPR Watchman 130A**

- **Born:** 07/30/13
- **Tattoo:** 130A
- **Individual Performance:** BW 83 lbs, BWR 100, 205 Wt. 526 lbs, WWR 100, 365 Wt. 1100 lbs, YWR 90 with 8 contemporaries.
- **Dam’s Production:** 4 NR 99.
- **Dam originates in the Diamond D herd from MT and stacks the Pathfinders “Emblazon” and Paramont Ambush 2172 in her pedigree.**
- **Maternal grandsire is a Diamond D herd sire that has been doing a great job for them and offers maternal strength and longevity.**

- Grandam’s Production: 1 BWR 93, 1 NR 98, 1 YR 100. Maternal grandsire is a complete calving ease package that offers eye appeal, heavy muscling and fleshing ease.
- Maternal grandsire is an own daughter of the Pathfinder and breed leader “Emblazon,” while the foundation 3rd dam is sired by “EXT.”
- Posts the second lightest actual BW in the sale offering among the heifers.
COMMERCIAL ANGUS HEIFERS

Lots 61-111

50 commercial Angus heifer calves will sell in groups of 3 to 5 per lot. These heifers will weight 750 to 900 lbs. sale day and will be sorted into uniform lots by sire and size. Sire info by sale lot will be included on a supplement sheet sale day.

We welcome a guest consignment of twelve high quality heifers from longtime bull customers, the Mark Wolken family.

All heifers will be palpated for a functional reproductive tract and have had their prebreeding vaccinations. This is a fancy set of heifer calves.

A big thank you to Nikki Shalla for the beautiful photographs in this catalog.
